Penllergaer  
SWANSEA  
SA4 9GE  
UNITED KINGDOM

Certificate

has been assessed against the requirements of the NICEIC Rules Relating to Enrolment for electrical work in areas where flammable or explosive atmospheres may occur. The installation categories for which the contractor has been assessed are as follows:

Preparation, Installation, Inspection, Testing and Maintenance of Electrical Installations in Hazardous Areas consisting of:

- Explosive Gasses/Vapours**
- Intrinsically Safe Systems**

Continuing enrolment is subject to the business continuing to comply with the above Rules, which will be monitored by the NICEIC during surveillance visits.

Steve Mitchell  
Certification & Operations Director

Enrolment No: 024662000

Date: 14.05.2003

NICEIC is a trading brand of Certsure LLP, a limited liability partnership registered in England and Wales with registered number OC379918 whose registered office and principal place of business is Warwick House, Houghton Hall Park, Houghton Regis, Dunstable, LU5 5ZX

**NICEIC**

The above business has been assessed as having the technical capability to carry out electrical work as defined above in accordance with BS7671 - requirements for Electrical Installations (IEE Wiring Regulations), except in hazardous areas where there may be a risk of ignition due to the presence of flammable gas or vapour, or ignitable dust or fibre. Such work is subject to separate assessment and certification. The current enrolment or registration status of the holder of this certificate may be confirmed by accessing the NICEIC website at [www.niceic.com](http://www.niceic.com).

This certificate is the property of NICEIC and must be returned on request.
