Schneider Electric Process Instrumentation Distribution Partnership for South Wales

To whom it may concern

I am pleased to announce that **C&P Engineering Services Ltd.** of Gorseinon Rd, Penllergaer, Swansea, SA4 9GE is now an official Distribution Partner for **Schneider Electric Process Instrumentation** supplying products and services from their South Wales headquarters.

As such, **C&P** will officially represent **Schneider Electric Process Instrumentation** for Sales and Service of the complete SE Process Instrumentation portfolio, with primary focus in the South Wales territory.

We look forward to doing business via this long-established and well-respected Specialist Electrical and Instrumentation Services company, whereby our customers can enjoy the benefits of the global **Schneider Electric Process Instrumentation** brand with supply and support from an official local Partner.

Sincerely,

---

**Jonathan Cowley**  
Sales Manager, N. Europe & Sub-Saharan Africa  
**Schneider Electric Process Instrumentation**
